

Compactor & Wheelie Bin Liners

Compactor sacks were traditionally used in compacting machines but in modern times are more likely to be used as an oversized refuse sack. From medium to extra heavy duty, available in black, clear and green in various thicknesses and pack quantities. Wheelie bin liners are available in black and clear in different strengths to suit the desired application.

Product Code	Description	Size (mm)	Size (")	Packing Info	Recycled Content
